

CRESCENT DISPLAYS

Crescent offers a wide selection of point-of-purchase displays which are proven sales stimulators. All are finished in bright yellow with maroon trim. All contain only popular, fast-turnover tools. The DB 12 series boards illustrated on these pages are 12" x 24" x 3/4". In addition, the DB 24 series of 24" x 24" boards is available in

the same striking color combination. Each tool assortment with panel is packed in a sturdy shipping carton and sold at the cost of tools only. Crescent's Display Department will also assist dealers in the design of special displays to match existing store fixtures. Order standard displays from your jobber.
